

## 6<sup>th</sup> INTERNATIONAL **AIR CONDITIONING, REFRIGERATION, WATER, PUMP & VALVE** EXHIBITION

OF EQUIPMENT

24-27 September 2024
Erbil Fairgrounds / IRAQ

#### HVAC R EXPO WITH NUMBERS

The International Air Conditioning, Refrigeration, Water, Pump & Valve Exhibition took place at the Erbil Fairgrounds from September 24–27, 2024.

The 6th edition of IRAQ HVAC R EXPO was opened by The Prime Minister of the Kurdistan Region, Masrour Barzani, HVAC R EXPO in conjuction with Construct Iraq became the largest construction industry event in Iraq. The event brought together the local and international sector leaders to explore ground-breaking opportunities in the nation's construction sector.

The exhibition also successfully launched two co-located events, Construct Iraq and Energy Iraq. This post show report gives you an insight into the edition's success and highlights.

The networking opportunities at the 2024 Iraq HVAC R Expo were unparalleled, with industry leaders converging to explore synergies, share insights, and unlock new business avenues. Whether you were a seasoned professional or a budding entrepreneur, the expo provided a dynamic platform to forge connections that transcend borders.

After a successful edition, the 2024 Iraq HVAC R Expo marked a milestone in the industry, bringing together leading professionals, cutting-edge technologies, and innovative solutions under one roof. 6th Edition of the exhibition showcased the latest advancements also facilitated meaningful connections and collaborations.

#### THANK YOU TO OUR PARTICIPANTS & SUPPORTERS!
